

## LexJet Sunset Photo Metallic Paper

LexJet Sunset Photo Metallic Paper represents a breakthrough for inkjet photo papers. This paper enables you to create stunning prints that previously could be output only in a darkroom. The metallic, high-gloss surface on this 10-mil, 255g/m<sup>2</sup> photo paper, results in prints that are sharp, vibrant, and exceptionally rich-looking. This paper provides the perfect way to make portraits, commercial display prints, and competition prints that stand out from the others. The instant-dry, scratch-resistant surface of LexJet Sunset Photo Metallic Paper makes it practical for everyday use in busy studios.

Property	Specifications
Material	Resin-coated (RC) photo paper
Gauge	10 mil
Basis Weight	255 g/m <sup>2</sup>
Opacity	97
ISO Brightness	78
Gloss at 75°	62
Surface finish	High-gloss, metallic
Printer/Ink Compatibility	Universally compatible with all leading dye- and pigment-based inkjet photo printers. Performs exceptionally well on all Canon, Epson, and HP printers.
Imaging Side	Material is packaged with printable side facing up. Printable surface can be identified by a slight tackiness.
Software Settings	The coating on this product is engineered for heavy ink coverage, and a photo black ink (when applicable). LexJet recommends a photo luster, gloss, or satin profile/setting.
Finishing/Post Processing	For image stability and permanence it is always recommended that you protect the printed side. This can be done by mounting under glass, clear coating, photographic sleeves or laminating.
Optimal Service Environment	72° F, 50% R.H.
Handling Recommendations	Due to the absorptive nature of the coating, you should avoid touching the coated surface of the paper. It's always recommended that cotton gloves be used when handling inkjet coated materials.
Ideal Storage Conditions	70°F (21°C), 50% R.H. (a controlled environment is recommended); store in original packaging.
Shelf Life	Greater than 1 year from LexJet ship date when stored in proper conditions.

**Product Performance & Suitability:** All of the descriptive information and recommendations for the use of LexJet products should be used only as a guide. Furnishing such information and recommendations shall in no event constitute a warranty of any kind by LexJet. All purchasers of LexJet products shall independently determine the suitability of the material for the purpose for which it is purchased. Seller's and manufacturer's only obligation shall be to replace such quantity of the product proved to be defective. Neither the seller nor manufacturer shall be liable either in tort or in contract for any loss or damage, direct, incidental or consequential (including loss of profits or revenue) arising out of the use of or the inability to use the product. No statement or recommendation not contained herein shall have any force or effect unless in agreement signed by officers of seller and manufacturer.
