Fine Art Printing

Archival pigment prints (photographic, giclée, canvas) are priced by the square foot and rounded up to the nearest tenth. If borders are needed around the image **include the borders in the paper size calculation**. For example: a 16" x 22" image with 1" borders would be an 18" x 24" print. The square footage for an 18" x 24" print is 3.0 sqft (18 x 24 ÷ 144 = 3.0 sqft). Recommended digital file type: TIFF, AdobeRGB, 8 bit or 16 bit, 300ppi.
