Fine Art Printing

Archival pigment prints (photographic, giclée, canvas) are priced by the square foot and rounded up to the nearest tenth. If borders are needed around the image, **include the borders in the paper size calculation**. For example, a 16" x 22" image with 1" borders would be an 18" x 24" print. The square footage for an 18" x 24" print is 3.0 sqft (18 x 24 ÷ 144 = 3.0 sqft). **Recommended digital file type:** flattened TIFF, AdobeRGB, 300ppi, 8 bit or 16 bit.

Epson Premium Luster Photo \$10.00 / sqft (minimum 0.5 sqft per print)
 Epson Premium Semimatte Photo \$10.00 / sqft (minimum 0.5 sqft per print)
 Fredrix 777 VWR Canvas \$18.00 / sqft (minimum 1.0 sqft per print)
